

Kanwaljit Brar, MD FAAAAI FAAAAI

Kanwaljit “Rupam” Brar is an allergist and immunologist with the Allied Physicians Group in New York, USA.

She specializes in pediatric allergic and immunologic conditions, with a focus on atopic dermatitis and food allergies. She has published research and guidelines for the management of atopic dermatitis, contact dermatitis, and food allergy and anaphylaxis.

Dr. Brar has been an investigator in multiple clinical trials for atopic dermatitis and has served as an investigator in the National Institutes of Health Atopic Dermatitis Research Network and company-sponsored trials.

She received her medical degree from Drexel University School of Medicine in Philadelphia, PA, USA, completed a residency in pediatrics at The Mount Sinai Hospital in New York City, NY, USA, and completed a fellowship in allergy and immunology at SUNY Downstate Medical Center in Brooklyn, NY, USA.

Following graduation, she completed an additional fellowship in pediatric dermatology research. She was previously on faculty in the Department of Pediatrics at the New York University Grossman School of Medicine in New York City, NY, USA, and at National Jewish Health in Denver, CO, USA.
