

Satveer Mahil, MB BChir MA PhD
London, England, UK

Satveer Mahil is a consultant dermatologist at St. John's Institute of Dermatology, Guy's and St. Thomas's NHS Foundation Trust, London, UK, and an adjunct Senior Lecturer at King's College London, UK. She has a major clinical and research interest in psoriasis. She is the Co-director of the PsoProtect and PsoProtectMe global registries. As Director of St. John's DermAcademy, she leads the development and delivery of dermatology educational resources for healthcare professionals.

She graduated from the University of Cambridge (Gonville and Caius College), UK, and completed clinical dermatology training at St. John's Institute of Dermatology. She completed a Medical Research Council-funded PhD, which involved using genetic information to gain novel insights into the mechanistic basis of different forms of psoriasis and define new therapeutic targets.
