

JiaDe (Jeff) Yu is Assistant Professor of Dermatology at Harvard Medical School and the Director of Occupational and Contact Dermatitis Clinic at Mass General. Dr. Yu also runs a specialized atopic dermatitis clinic caring for the most complex atopic dermatitis patients ranging from neonates to adults.

Dr. Yu received his medical degree from the University of Virginia where he was inducted into the Alpha Omega Alpha medical honor society. He completed a pediatrics internship at the Massachusetts General Hospital for Children, his dermatology residency at the Medical College of Wisconsin where he also served as Chief Resident, and his pediatric dermatology fellowship at the Children's Hospital of Philadelphia/University of Pennsylvania.

He received the prestigious Dermatology Foundation Pediatric Career Development Award and numerous other research grants from intra- and extra-mural sources. He holds various leadership positions in national societies including American Contact Dermatitis Society, Pediatric Dermatology Research Alliance, and the Society of Pediatric Dermatology. He is an associate editor for *Pediatric Dermatology* and *Journal of Medical Internet Research Dermatology* as well as a section editor of *Dermatitis*.
